Kris:

L-00000B-04-0126-00000

Bill Bridwell and myself would like to visit with you tomorrow morning or Friday morning August 11th or 12th to discuss, in general, Pinal County Politics, and to briefly review the recent news regarding the pending issue on the 500 kv realignment in the Florence/Coolidge section - that will affect Western Pinal County.

We will be in the Phoenix area on other business and would like the opportunity to visit with you.

Is it possible for us to see you for a few minutes on either day?

Thank you for your time and consideration.

The measure of your humanity is the extent to which you raise the standard of taking responsibility for those who cannot help themselves.

Timothy Lee, Designated Broker

Subject: 500kV Line Meeting in Casa Grande

Dear Chamber of Commerce:

I Am Just Sick Over This News.

There Is An Election Coming Up
And Members Of The Corporation
Commission Should Be Held Accountable
For Their Actions, If Things Go The
Wrong Way On This.

This Is Terrible News, And A Blow To
Grassroots Home Rule. This Is A Slap
In The Face Of Local Control.

Why Is The ACC *Staff* So Hell-Bent,
and Anti-Citizen, On This Thing?
Have They Lost Sight Of The Mandate
Of Their Mission: *"In The Public Interest?"*

Hmm ... One Can Only Wonder ...
Might There Be A Quid Pro Quo
In The Works In Order To Feather A
Nest? A Golden Parachute Awaiting?

Everybody Is Watching ...

Thank you for your time and consideration.

The measure of your humanity is the extent to
which you raise the standard of taking responsibility
for those who cannot help themselves.

IMPORTANT!
PLEASE SHARE THIS INFORMATION

8/12/2005

**About the 500kV Line Placement
WITH AS MANY PEOPLE AS POSSIBLE!
PASS IT ON...**

We just got word from the Mayor's office that the outcome of the meeting held on July 13, 2005 with the Arizona Corporation Commission has put the

Northern Route for the Pinal West to Southeast Valley 500kV Transmission Line back on the table!

According to the Mayor's office, the staff of the Corporation Commission recommended the Northern Route regardless of the recommendations of the Line Siting Committee. No general public comment was taken at this meeting.

We need as many people as possible to attend the next
PUBLIC COMMENT SESSION

Wednesday, July 20, 2005

4:00 pm to 8:00 pm

at the Holiday Inn in Casa Grande.

There will be t-shirts available for those in attendance at this meeting.

United we can make a difference!
